

July 11, 2018

Dear Parents,
Its time for your incoming apprentice meeting!

Monday, July 23 at 5 pm

I ask that everyone be present with a parent or guardian, please. This meeting will give you an opportunity to meet as a group and ask any general questions that you may have about being an apprentice. Following this meeting, you and your dancer will meet individually with Miss Jennifer to discuss or answer any questions specific to your situation. Look for emails on possible meeting times coming to you this weekend. **Some meetings are available after our group meeting.**

On our company website (which your dancer knows how to access) you will find a number of documents listed as *For New Apprentices* which I ask you to download and read before our meeting. We will go over the company contract, a representative from the Barre will be there and you will have a chance to hear about this year's festival in Erie PA and about *Stars of Tomorrow International* which takes place in Austria in the summer!

See you soon!

Sincerely,

Cassandra Crowley
Artistic and Executive Director
