Ballerina Birthday Party

Host a dance party for your child's birthday at the Canton Ballet studios and invite nine of her friends! Let us help create a magical day your child will never forget with a Ballerina Birthday Party!

Your dancer and her friends will celebrate her special day of ballet fun and activities with early childhood specialist Julie Mizer Grasse.

Let us create a ballet party that is relaxing and stress-free for you. We will do all the work starting with a ballet wonderland table setting. Depending on the package you choose, we will order and serve refreshments, teach a class, prepare and direct a craft, fill goodie bags, organize games and help with the gift opening.

Also, ask about our parties for other occasions. Mrs. Grasse is happy to customize a party for the older child or for another occasion.
