

2020 *Peter and The Wolf* Mask Contest

Attention all Company, Apprentices and Understudies,

This year for *Peter and the Wolf* we want to hold a mask contest. Since we cannot share masks as we have in the past, each dancer is invited to make their own character mask. Those with assigned parts are to make a mask that best suits their part. Those without assigned parts may choose any character for their mask building.

The winner's prize is a \$25 gift certificate to Taggarts.

The rules are very simple:

1. Start with a simple plain "half mask" base that covers the eyes not the whole face. Remember we are still wearing mouth and nose coverings.
 2. The decorations or embellishments to your mask can be of your choice. Feathers, faux fur, faux hair, sparkles, rhinestones, sequins, ribbons, lace, all colors of your choice. Be creative! We love to see your creativity.
 3. The masks must have straps that securely hold the covering to your head.
- Those performing can add the mouth and nose mask covering as part of their design. Think of the leotard and tight color combination that you want to wear and possibly make the color choices match the entire outfit. Clever ways of contrasting colors are also acceptable.
 - Wolves may think of how to do your hair down in a crazy way to match the character.

Remember... Be creative and have fun!

Ms. Crowley and Ms. Jennifer
