2023 SUMMER SCHOOL OBLIGATIONS

All Dancers are required to attend three (3) auditions for summer school programs annually as a means of learning how to take audition classes, whether their intent is to attend those programs that summer or not. The auditions are part of their training and are mandatory even if the dancer will not be going away that summer.

Please indicate where you auditioned for summer school in 2023 and bring your two or more acceptance/rejection letters to our meeting for me to see. I will not need to keep the letters.

1. _____
2. _____
3. _____

Since consistency is the key ingredient to accomplishment, each Canton Ballet Dancer is expected to attend an intensive summer program consisting of 3 or more daily classes in ballet, modern, jazz and/or other idioms. This can be at the School of the Canton Ballet or at a nationally or internationally recognized summer school program across the United States. Dancers who do not fulfill this requirement will see this reflected in diminished roles for fall season. Be aware that one class a day doesn't fulfill your commitment.

Indicate where you attended summer school this year and for how long.

CANTON BALLET COMPANY MEMBER PROFILE
